Mr. Blanco,

United received a copy of your November 21, 2022 correspondence directed to GFL Environmental Services threatening litigation in the absence of a response by November 25, 2022. This serves as that response. Accordingly, please confirm that you will not file today, as you indicated you would not.

You appear to be pursuing some form of prohibited balance billing on behalf of your client for a claim that has been adjudicated and upheld on appeal, as I understand. Please send in writing your position regarding why your client is not prohibited from seeking additional reimbursement under the operative participation agreement, citing supporting provisions from that agreement. Once you have done so, you can set a meeting with United to further discuss.
